

”Specialists in recruitment of domestic and commercial Gas engineering professionals”

Mainline Resourcing Limited (formerly IPS/Total Staffing) is a specialist resource consultancy dedicated to the domestic and commercial gas engineering sector. From our head office in London, our team of experienced recruitment professionals look after the recruitment needs of clients throughout the UK. Permanent or interim, a single hire or a complete team, our deep knowledge of this sector coupled with access to arguably the best qualified and extensive candidate pool around means we can respond quickly, accurately and efficiently.

We provide specialist gas engineers to clients in both large and small, public and private sector.

Our clients include

- British Gas
- EON
- Vaillant
- Village Heating
- Connaught
- Kier

All of our engineers are

- Comprehensively interviewed
- Technically tested
- Fully referenced
- Right to work status confirmed
- All qualifications checked (GAS SAFE, ACS, all insurances)
- Criminal Records check available on request

We supply

- Service engineers
- Installation engineers
- Breakdown engineers
- Surveyors
- Electricians
